Goal: to draw a line from one side to the other (like tic, tac, toe) however, there is one special rule: the line must go through the middle box. All summer reading cards with at least the middle box completed can be turned in for House points. All fully completed cards (All nine boxes completed with parent initials) can be turned in for a chance to win prizes. All books for the Summer Reading Card Challenge must come from the OHCS Summer Reading list (attached here and under the Student tab on the website). You don't have to just read the books for your grade level, but they must come from our reading lists. K4 parents, the time slots of 15 minutes are all joint reading, you reading to your child and your child "reading" to you.
