2025-2026

VENDOR POLICIES

Our official uniform vendor is Land's End, and all uniform items must be purchased through the Oak Hill Classical School Uniform Store, unless otherwise noted. You can access our school's uniform store directly by visiting the Land's End website, clicking on the "School" tab, and entering our School ID 900155771 along with your student's grade and gender. This will ensure you see only the approved uniform options for your child.

Please note: Uniform items must be purchased through our school's specific Land's End page—items from the general Land's End site will not meet uniform requirements. Oak Hill's designated uniform supplier for all uniform items is Lands' End.

Logos on official uniform items may not be put on by any other vendor other than Land's End only, this is to ensure consistency and continuity.

RATIONALE

Uniforms are a positive discipline and Oak Hill emphasizes the value of a disciplined learning environment. Just as dressing up, even wearing uniforms, is a part of the work day for an adult, wearing a school uniform is a signal to a child that it is time for hard work and studious activity. Uniforms also prevent problems associated with the subjective interpretation of a dress code policy, as well as help eliminate confusion about what is acceptable, modest and appropriate by the school's standards. It also creates an environment where the temptation to compare and find value in material things is reduced. Finally, uniforms can decrease the cost of student clothing. Our uniform vendors provide durable items and often parents need only purchase two or three sets of uniforms to last throughout the school year.

POP-CULTURE REFERENCES/CHARACTERS

Oak Hill maintains a policy that excludes characters and pop-culture references (e.g. Disney, Nickelodeon, Marvel, bands, video games, actors, emojis, slogans, etc.). This applies, but is not limited to: backpacks, lunchboxes, water bottles, coats, hats, socks, valentine's, pajamas, etc.

The purpose is to eliminate subjective interpretation. Every family has its own set of standards and places where they “draw a line.” When at school, our teachers should be free to direct their energy toward learning, not monitoring subjective standards. Oak Hill does permit items featuring team names (e.g. UGA, Braves, etc.) on backpacks, lunchboxes, water bottles, outdoor coats, hats, etc.

ENFORCEMENT

Oak Hill faculty will enforce the Uniform and Dress Code Policy with guidance and direction provided by the Administration. Students not complying with the Uniform and Dress Code Policy will be required to rectify their appearance immediately with cheerful, consistent compliance.

If a student is out of dress code, a notification may be sent to the parents via email. Repeated infractions will require a parent to bring proper uniform pieces to school and/or disciplinary measures.

GENERAL DRESS CODE

1. Students must be neat and well groomed.
2. Students should not attempt to draw unnecessary attention to themselves through their clothing and/or accessories.
3. Uniform items should be kept in clean and repaired condition (i.e. no holes, tears, etc.).
4. Clothing may be selected to permit reasonable growing room, but unreasonable over-sizing is not permitted.
5. No uniform bottom (i.e. shorts, skirts, skorts) may be shorter than three inches above the knee, both front and back.
